VISION

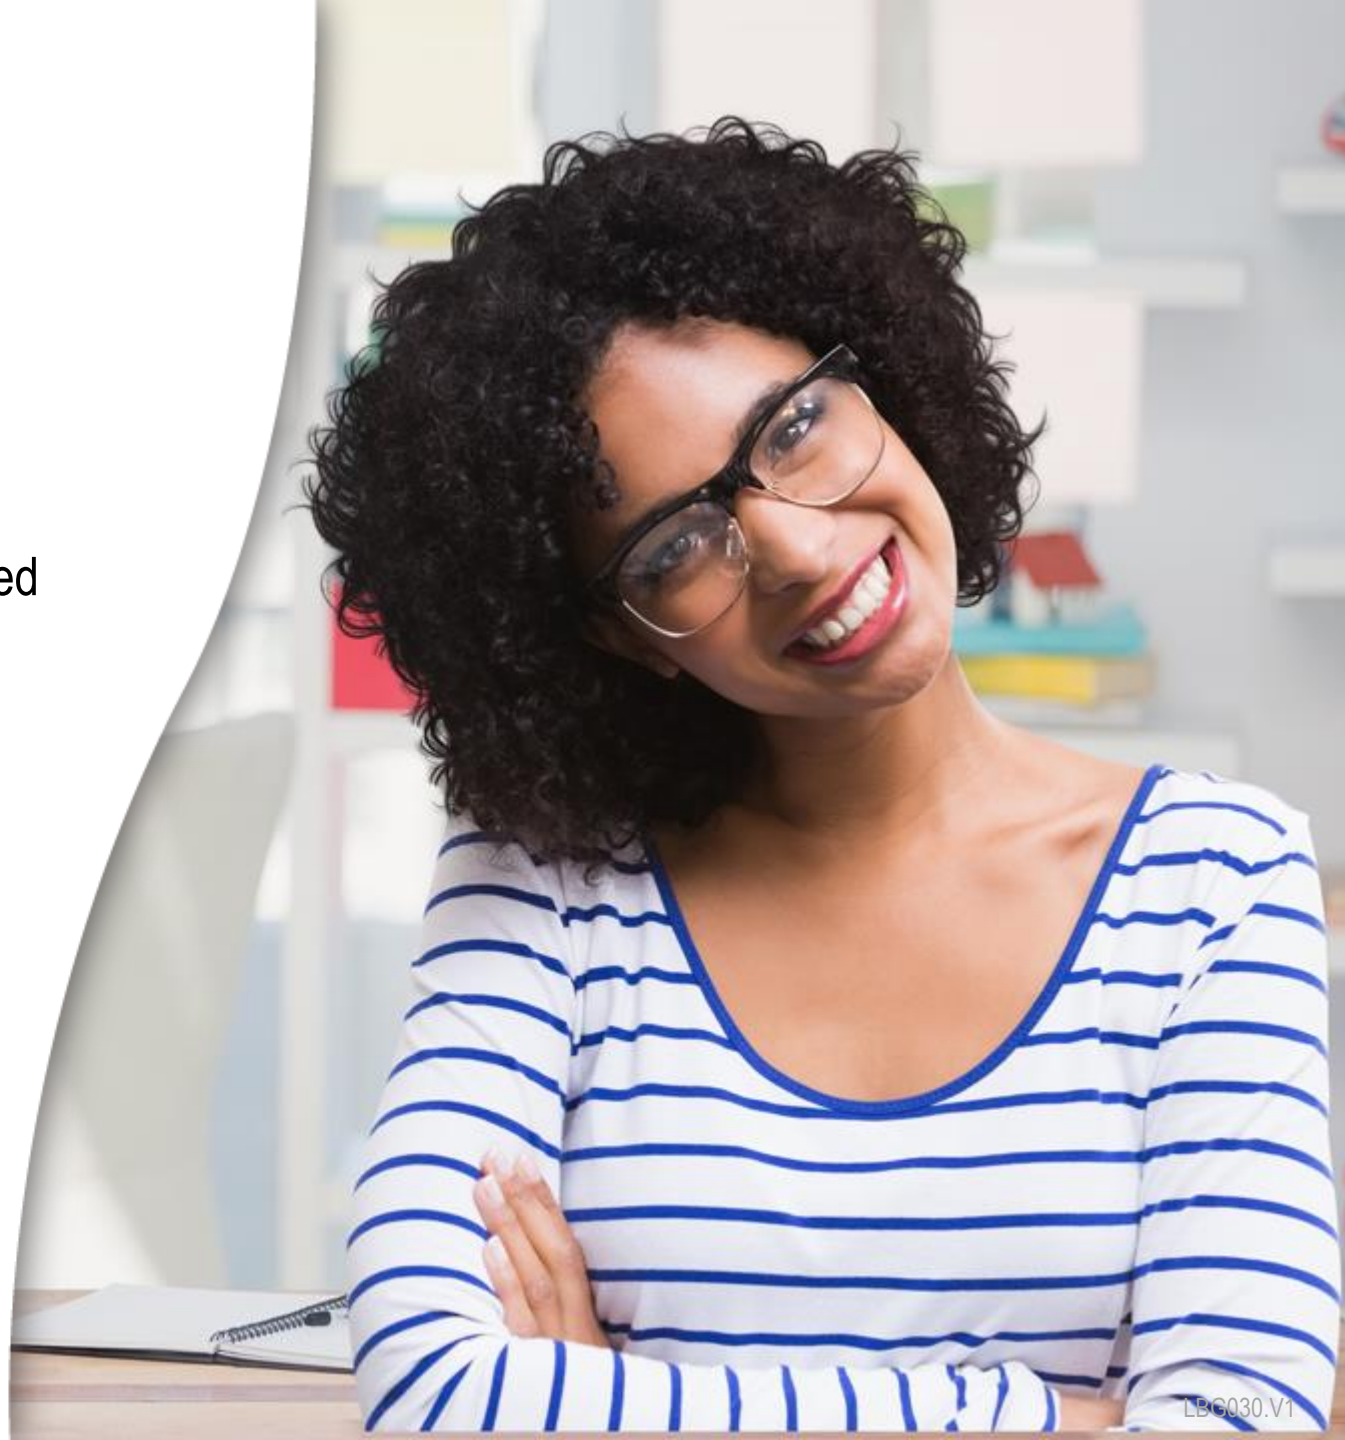

Work Together, Achieve Together

MISSION

It is our mission to ensure through individual and collective effort, a stringent compliancy policy and added value to our corporate clients.

CORE VALUES

Client focused, innovative and positive spirit, competent leadership, pro-active, comprehensive, and diligent, passionate about what we do.

Statement of Principles

- Our core function is to oversee the Compliance Management processes for the client, i.e. ensuring that the client qualifies to utilise incentives and thereby add valuable and much required employment opportunities for the youth of our Country.
- LocalBeGlobal follows a stringent programme in monthly communication with clients, providing information that contributes to the client's compliance with SARS.
- LocalBeGlobal then manages the Employment Tax Incentive (ETI) Programme on the clients' behalf ensuring they remain compliant within the rules of the ETI programme.
- LocalBeGlobal assists in the development and economic empowerment of qualifying employees to ensure at the end of the agreed term they are able to continue their business career.
- LocalBeGlobal issues a Certificate of Service to the participating employee at the end of their fixed term contract.

” *Education is the most powerful weapon which you can use to change the world.*

It always seems impossible until it's done.

I learned that courage was not the absence of fear, but the triumph over it. The brave man is not he who does not feel afraid, but he who conquers that fear.
